CHEAPER LUMBER

Owing to the recently reduced freight rates and a slight fall in the price of lumber we are able to announce a reduction in the price of lumber from \$2.50 to \$2 a thousand. The grade is just as good as ever, the price is less. We are now able to compete with yards on the T. & P. and ask the opportunity to figure with those from the Monument locality who have been hauling from these points.

DEMOCRACY

PARTY OF LIBERTY AND EQUAL RIGHTS.

Platform of Principles As Adopted
At the Territorial Convention
At Roswell, June 10th.

Endorses Great Champion of the People's Rights, William J. Bryan; Scouring Denunciation of Election Frauds and Profits Cited; Summons by Direct Vote Approved; Demands Single Statehood; Position of the Party on Other Important Questions Stated in Straightforward Way.

EQUAL RIGHTS TO ALL.

We, the Democrats of New Mexico, in delegate convention assembled at Roswell, again renew our pledge of allegiance to those fundamental principles of Democracy as originally enunciated by our first great leader, Thomas Jefferson, chief among which is contained in the maxim "Equal rights to all, special privileges to none." We believe this maxim, rightly applied, is capable of solving all the great questions which are now agitating the minds of the American people, the reform of the tariff, the suppression of the trusts, the regulation of the railroads, and the attitude of our government towards imperialism.

WILLIAM J. BRYAN.

We recognize that the Democracy of the United States has today many tried and trusted leaders, any one of whom would worthily fill the office of chief magistrate of this great nation, but we cannot fail to recognize the further fact that there is one Democratic leader who, above all others, has identified himself with all the reforms now demanded by our party and who has endeavored himself to carry them out in accordance with the principles of justice, equality, freedom and whose name of itself constitutes a sufficient guarantee to the Democracy of this nation that such reforms in the social and political life of our country are not only possible but also practicable.
